DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.
2. Claims 67-71 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.
3. Claim 67 is presented by the applicant in dependent form, but does not provide the number of the claim from which it depends. Thus, it is unclear to the examiner whether claim 67 was intended by the applicant to be in independent form or in dependent form.

Allowable Subject Matter

4. Claims 1-66 and 72-79 are allowed.

Conclusion

5. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
